Press Release:

**November
2011**

Partnership Agreement between the International Circle of Friends of the Giants and the Federatie Van Nederlandse Reuzen

We are pleased to announce that our two organizations have reached a cooperation agreement in order to walk together in the promotion, research and documentation of the giants, bigheads and other figures show.

This has been established in the contents of that document, on the one hand Mr. Paul Spapens, on behalf of the Board of **Federatie Van Nederlandse Reuzen**, and the other Mr. Jaume Lopez, on behalf of the Board of the **International Circle of Friends of the Giants**.

The agreement was reached quickly due to the good understanding between the two organizations and the desire to start a long road of initiatives to benefit from these estimates elements of folk culture.

The official signing will take place in the Netherlands in the coming weeks, with the presence of representatives of both Boards, and also serve to define the first lines of joint action for the future.
