#### Data and history of the figure:

This figure is a tribute to a friend of Cindi Levy Olsman (Marty Finkelstein) who passed away in 1989 & who now brings his vibrant spirit to life by dancing and charming guests at celebrations and festivals in the United States.

This Giant was constructed by Cindi during the time she apprenticed with Hermes Arroyo in his studio in San Miguel de Allende ( Mexico) in 2003.

The figure was transferred to Philadelphia, Pennsylvania where it now resides. It was inaugurated at a gala for "Ashley's Angels" , a charity that serves families with children who have serious illnesses.

The Ashley's Angels fundraiser and party celebrates Halloween ...a favorite holiday for children.

The head and torso of this giant are constructed of Paper Mache.

The interior infrastructure was created out of a fiber glass and epoxy compound in the laboratory of Professor Christopher Pastore in conjunction his students at Philadelphia University.

The figure weighs 20 kilos and measures 4 meters of height.
