“Gigantes y cabezudos” seal collection

Scale model of the seal

Proposal presented by the Organization: _____

You can choose between the horizontal option or the vertical (a single). Original dimensions of the seal. 28,8 xs 40.9 mm (without considering the twilled braid).

Font to use for your texts: **Arial Narrow number 6**. In addition in the seal must consist the phrase (in Arial Narrow number 7). "C.I.A.G. N° XX" and underneath: "Gigantes y cabezudos" (to see the samples reproduced in this Web).

The part to publish (that is to say, the one that we can make) corresponds exclusively with the blue zone of the seal. You must consider that the scale models are not in their real size.

In each leaf of 25 seals it has in his headed two dedicated lines to insert a customized text. In first of them will appear of obligatory form the phrase "CIAG - Gigantes y cabezudos nº XX". The inferior (unless you indicate the opposite to us), will repeat the same text that you propose for the interior of the seal.

In the inner part of the leaf a date can be written. Unless you indicate a concrete date to us, the corresponding one to the date of edition of the seal will be indicated (you remember that these data only appear in the leaves of 25 seals).

Text that we wished appears in the second line of the leaf of 25 seals: _____

Date that we wished appears in the part inferior of the leaf of 25 seals: _____
Format (dd/mm/yyyy)

You must enclose in Castilian the information that you wish appears associate to the seal in the card of the page Web (will translate we the Catalan (obligatory language) and in addition we recommended to you you are also sent it in English and French).

You must enclose the chosen photography (it is recommended to use a white bottom).

Date of the proposal: _____ **Signature (the one of the authorising in the other document)**
